## Small Contributor Membership Company Verification

Companies with annual revenues of less than \$100M are eligible to join The Green Grid as a Small Contributor. The annual membership fee for companies participating at this level is \$12,000 annually.

In order for The Green Grid to confirm your company's eligibility to join as a Small Contributor, we request that your third-party accounting firm or company officer (VP, CFO, CEO) complete the following certification form. The form must be completed on a reoccurring basis if the company chooses to renew membership as a Small Contributor.

---

On behalf of \_\_\_\_\_ (TGG member company), I certify that the company's annual revenue for the current year does not exceed \$100M USD.

Under penalties of perjury, I/we certify that the information presented in this Certification is true and accurate to the best of my/our knowledge and belief.
