

Contributor Membership Small Company Verification

Companies with annual revenues of less than \$100M are eligible to join The Green Grid as a Contributor (small company). The annual membership fee for companies participating at this level is \$10,000 annually.

In order for The Green Grid to confirm your company's eligibility to join as a Contributor (small company), we request that your third party accounting firm or company officer (VP, CFO, CEO) complete the following certification form. The form must be completed on a reoccurring basis if the company chooses to renew membership as a Contributor (small company).
