Small General Membership Company Verification

Companies with less than 50 full time employees, including contractors, are eligible to join The Green Grid as a Small General Member. The annual membership fee for companies participating at this level is \$3,000 annually.

In order for The Green Grid to confirm your company's eligibility to join as a Small General, we request that your company officer (VP, CFO, CEO) complete the following certification form. The form must be completed on a reoccurring basis if the company chooses to renew membership as a Small General.

On behalf of _____ (TGG member company), I certify that the company's number of full time employees, including contractors, is no more than 50.

Under penalties of perjury, I/we certify that the information presented in this Certification is true and accurate to the best of my/our knowledge and belief.
